## **2. INTRODUCTION**

Kumbhmela is scheduled to be held in 2015-16 and again in 2027-28 in Nashik. This event will have major influx of tourists and religious visitors from across India and in turn will have major strain on the existing city infrastructure.

The objective of this Integrated Development Plan would be to identify and assess the tourism and urban infrastructure requirements, conceptualize infrastructure projects for providing citizens, travelers and visitors a comfortable experience and for success of the Kumbhmela event. Hence this Integrated Development Plan for Kumbhmela may require to be prepared including certain hard infrastructure and soft infrastructure with guidelines for implementing the same.

### **3. Minimum Eligibility Criteria for a Firm to Bid**

Consultants submitting their proposals shall satisfy the following criteria:

1. The Firm / Entity shall have an average annual turnover for last three years of more than INR 50 Crores.
2. The Firm / Entity shall be empanelled with any 3 other government agencies (Central / State Agencies) as Consultant for large scale project.
3. The Firm / Entity shall have atleast one office in Maharashtra.
4. The Firm / Entity shall have atleast One International or Overseas office.
5. The Firm / Entity shall have direct experience in planning at least 2 large-scale projects where project area is not less than 2,500 hectare.
6. The Firm / Entity should be able to produce their 'Two Best Works' which are similar to Scope and Nature of current assignment. Detailed presentation will be expected during the Technical Evaluation of the bid. All documents in full need to be submitted to the client.

Consultants/firms may note that the above conditions are the MINIMUM required conditions and fulfilling above conditions not necessarily ensure selection.

**More Details are given in Tender Document.**
